

Upstox Plus Plan - Terms & Conditions

1. About the Upstox Plus Plan

The Upstox Plus Plan unlocks access to advanced features, preferential rates, priority access, and enhanced API capabilities — all of which are not available to Basic Plan users.

2. Plan Flexibility

You can switch between the Plus Plan and Basic Plan at any time.

However, to ensure system stability, a 24-hour cooling-off period is applicable after each switch, during which you won't be able to change your plan again.

3. Pricing

The Plus Plan can be activated for free initially.

- If the plan becomes chargeable in the future, we will notify you in advance of the applicable date.
 - Upon plan activation, a revised tariff sheet will be sent to your registered email for reference. No separate signature is required, and charges will apply as per this sheet.
 - All charges remain within SEBI-prescribed limits.
